

ALL THE STOPS

A CELEBRATION OF
Opus 3529
THE ST. MATTHEW ORGAN

SUNDAY, MAY 15TH, 2022

St. Matthew Parish Presents *"All the Stops"*

A Celebration of the Restoration of the St. Matthew Organ

Sunday, May 15, 2022 at 3:00pm

Introduction

To celebrate the restoration of Opus 3529, the St. Matthew Church Organ, we are hosting a community-wide rededication concert featuring area-renowned organists. To commemorate this achievement, a special keepsake booklet is being produced that will be provided to each attendee. This booklet will detail the history of the organ, and the story of its restoration. Full of full color photos, history, the restoration journey, and documents from the Wicks Organ Company archives, it will certainly be of interest to all who attend!

Due to COVID-19, St. Matthew has been unable to host its annual Dinner Dance Gala. We are reaching out to you today to seek sponsorships in our commemorative booklet for this event. Your support will ensure that St. Matthew can remain a Beacon of Light and a Sign of Hope on Detroit's far-east side for years to come. Our community outreach is valuable to our immediate community.

The St. Matthew Church parish is made up of a unique and diverse group of dedicated people, with non-traditional residential boundaries as far north as New Baltimore and as far west as Franklin and Farmington Hills. Simply put, the reach of our parish base extends far beyond traditional parish boundaries which makes for great exposure for your business! This booklet will be a keepsake reminder of this event with a long shelf life. This event is open to the public with attendees throughout and beyond our boundaries.

The final product will be professionally printed in **full color** on high quality glossy paper and saddle-stitched into a 8.5" x 5.5" booklet. We can create your ad for you or you can submit camera ready artwork to us directly at admin@stmatthewdetroit.com.

Key Business Sponsorships

Only two key sponsorships available. These sponsorships include:

- a premium placement full page ad,
- a keepsake “stop knob” from the original organ, prior to restoration
- recognition on dedicated signage at the event,
- special announcement recognition at the event by Fr. Duane Novelly,
- two consecutive week recognition in the St. Matthew Pulse Bulletin,
- complimentary advertising on our website for one year, and
- recognition on our social media channels, including our weekly “Sponsor of the Week”!
